20 YEARS OF ABSOLUTE SUCCESS AS THE LARGEST CONSTRUCTION SALON IN LATIN AMERICA!

The 20th edition of Feicon Batimat continues to be the greatest construction trade show of Latin America. Builders, sellers, buyers, representatives, designers and creators are invited to visit the exhibition in this historic edition. The main and most important companies of the sector will be present with exclusive launchings and business opportunities that will help professionals to increase their portfolio of services, products and ideas. **Who builds and performs will visit!**
